## Glow & Shine Day cream with SPF 15

Glow & Shine Day cream is a blend of extracts of kojic acid, niacinamide, peppermint, and neroli that work well with SPF to shield you from the sun and even out the skin tone and provide natural radiance. The moisturising properties of Niacinamide, the antioxidant and anti-inflammatory properties of peppermint, and our ultra-light formula allow it to absorb quickly into the skin. For best results, use 15-20 minutes before getting out.

### Benefits:

Niacinamide found in the day cream is a fantastic ingredient for your skin in all aspects, as it reduces the appearance of large pores, controls excessive sebum, and protects your skin against sun damage. It promotes youthful skin by preventing darkening and premature ageing. It provides sun protection while giving a radiant look all day long.

### Key Ingredients:

The extracts of Kojic acid, Niacinamide, Peppermint, and Neroli.

### Key Ingredients:

Extracts of Orange oil, Vitamin C, Fruit AHA, Hyaluronic acid, and Walnut oil.
